EPA issued final Underground Injection Control permits for the Dewey-Burdock uranium site: weblink to EPA documents

Date:

Tuesday, November 24, 2020 9:34:00 PM

You are receiving this email because you are on the contact list for the EPA Underground Injection Control permitting actions at the Dewey-Burdock uranium recovery site in southwestern South Dakota.

EPA has issued final UIC Permits for the Dewey-Burdock uranium recovery project. You can find EPA's response to public comments document and other permit-related documents on the EPA Regional UIC website at:

<https://www.epa.gov/uic/epa-dewey-burdock-class-iii-and-class-v-injection-well-final-area-permits>

Please contact me if I may be of assistance while you review these documents. I am working at home due to COVID, so this email address is the best way to contact me.
